1945 INTRODUCTIONS

- Alona**—Height 36 inches. Well branched stalk. Blend of the colors of China maid in a large ruffled flower with horizontal falls. **Each \$15.00**
- Copper River**—Height 36 inches. Good branching. Flaring, ruffled flowers with closed standards. Glistening tan, falls overlaid bright new penny copper. The ruffled flaring form and sheen of this flower make it most attractive. **Each \$25.00**
- Lake Shannon**—Height 36 inches. Excellent branching. Seven to nine large flowers to the stalk. Standards and falls wide and fluted. Falls wide at the haft, semi-flaring to drooping, forming a graceful flower. Three flowers out at once make a beautiful stalk. A medium blue self with blue beard, tipped orange deep inside the flower. **Each \$25.00**
- Patrice**—Height 38-40 inches. Plicata, with light cream standards flushed pale rosy lavender; falls flaring, white, brushed soft bright gold across the haft which is speckled rose-brown. A refined, clean flower. **Each \$10.00**
- Treva**—Height 36 inches. Large, smooth flowers of spreading form. A self of golden apricot, with wide falls and wide, closed standards attractive form and color. **Each \$15.00**
-
